

Update from The Gray's – April 2026

We're in Dundee at the moment. It's been a lovely time with some nice weather, though it's raining right now. Hopefully, you'll have some time over Easter to rest, too.

Here are some Praise & Prayer points for this coming month.

Happy Easter!

Malcolm & Kerstin

Praise points

- The *Freedom in Christ* course that we are leading is going well, with just two weeks remaining of the ten-week programme. The recent "Steps to Freedom" day was a particularly impactful time, with over 50 people engaging deeply in the process of turning away from lies and embracing truth. We are thankful for the spiritual breakthroughs that are taking place. A real privilege to be a part of!
- We are currently enjoying a restful and much-needed holiday in Dundee. It has been a valuable opportunity to pause and recharge, and we are looking forward to spending Easter with Malcolm's parents.
- We are grateful that our members in the Middle East are safe and supported during this challenging time. A WEC crisis management plan was implemented on day two of the conflict and continues to apply. One UK individual needed to evacuate and has now arrived safely home, for which we give thanks.

Prayer requests

- On our return from holiday, we will continue to engage with several important projects as well as providing pastoral support for members who are going through difficult challenges. Prayer for more wisdom, clarity, and discernment in leadership would be greatly appreciated.
- Please pray for more workers to respond to the call to cross-cultural mission. The need remains great, yet there are currently fewer people applying for long-term service. Pray that God would raise up and send labourers into His harvest field.
- WEC is in the early stages of planning a new cross-cultural internship programme for 18–24 year olds in the UK, launching in January 2027. Please pray for the ongoing development of this initiative, and that God would prepare and call the right participants to join this pilot cohort.
- Please pray for Amy as she continues settling into life in Coventry, balancing both paid work and volunteering responsibilities. Pray for wisdom, resilience, and a good sense of community in this new season.

Thank you so much for your support and prayers. We know we need them so much! May God bless you!
