*VISION: To become the leading institution of learning in Africa and transform the society towards the Kingdom of God.*

### CARLILE COLLEGE

#### PRAYER ITEMS, JUNE 2026

Receive Christian greetings in the name of Christ from Carlile College, Nairobi Kenya. We are fine in Kenya and at Carlile College as we continue with the second term's academic calendar. As usual, the core business of the College is training of Evangelists in the light of God's Mission Agenda in the 21<sup>st</sup> Century. Whereas, the College endears to execute her divine mandate, it is apparent that many institutions in our country Kenya including Carlile College are faced with a serious sustainability challenge more than never before since many students are struggling to pay their fees and don't have any sponsorship..

Therefore, we kindly request you to pray with us in our plan to achieve the following;

- a) Increasing enrolment and revenue generation for financial stability
- b) Physical Infrastructure Upgrade
- c) Saving power and having a consistent flow of water by installing green energy infrastructure for our bore hole (About GBP 11,000)
- d) Getting scholarship opportunities for our students
- e) Raising more partners, both organizational and individuals
- f) Implementing a Results Based Management Strategy

We covet your prayers and support to achieve the above objectives
